

Checklist for your records:

- I have filled out all of the information requested.
- I have enclosed a voided check with my authorization to withdraw from my checking account (not necessary for withdrawal from savings).
- I understand that if my enrollment does not reach ECM two weeks prior to the 20th of the month, ECM will not be able to withdraw money from my account that month. Instead, my first withdrawal will begin the following month.
- I further understand that if I wish to change the amount of the withdrawal or the designation I will need to fill out a new form and if I wish to cancel my Withdrawals completely, I must submit a discontinuation form 30 days prior to my next withdrawal.

Electronic Funds Transfer

**Every Child
Ministries** 

Would you like the convenience of having your gifts to Every Child Ministries automatically withdrawn monthly from your savings or checking account?

ECM offers **Electronic Funds Transfer (EFT)** to donors. If you're interested in this program, read on!

How does the EFT program work?

On the **20th** of each month, your gift to ECM can be automatically withdrawn from your bank account. This withdrawal will appear on your monthly bank statement and you will continue to receive an ECM receipt monthly. If the 20th falls on a weekend or holiday, debit will be made the last business day prior to the 20th.

How do I enroll?

✦ Fill out the enclosed Electronic Funds Transfer Authorization Form. Please be sure to provide all of the information requested. It is necessary in order to process your enrollment.

✦ If your gifts will be withdrawn from a checking account, please **enclose a voided check** from that account, as well as providing your routing and account numbers. (Without the voided check we cannot process your enrollment form.)

✦ If your gifts will be withdrawn from your savings account, you will need to provide us with your routing and account numbers. You will need to obtain those numbers from your bank before enrolling.

✦ It is very important that you include your bank's phone number. This information is helpful should any problems arise when withdrawing a donation from your account.

✦ Return your form to ECM two weeks prior to the 20th of the month in order to qualify for that month's debit. Late enrollment (received after that two week mark) will NOT take effect until the following month. (For example, if your enrollment reaches ECM on September 15th, you've missed the deadline for the September withdrawal and your first withdrawal will be made in October.)

What if I need to stop my withdrawals?

In order to cancel your withdrawal you must fill out a discontinuation form and submit it to us 30 days prior to the 20th of the month you wish for your donations to end. Contact ECM at 219/996-4201, or you may email the ECM office at ecmafrica@ecmafrica.org to receive a copy of this form.

Once I'm in the program, how do I change the amount of my donation or designations?

To make any changes in the amount of your donation or how you want your gift(s) designated, you will need to fill out a discontinuation form for your existing withdrawal **and** a new withdrawal form with your updated information. Contact ECM at 219/996-4201, or you may email the ECM office at ecmafrica@ecmafrica.org. The same two week prior to the 20th timeline applies here. Please remember to mention that you participate in ECM's automatic withdrawal program when you call or write.

What if I change banks?

Please let us know immediately if you change banks. You will need to fill out a discontinuation form for your old account **and** fill out a new form for your new account. Discontinuation forms have to be submitted to us 30 days prior to the 20th of the month you wish to cancel and new forms need to be submitted two weeks prior to the 20th of the month you would like your new withdrawals to begin.

Where do I send my completed forms?

Please send your completed Electronic Funds Transfer Authorization Form with account and routing number for savings withdrawal or account, routing number and voided check for checking withdrawal to:
